

## Paper Easel for Cactus

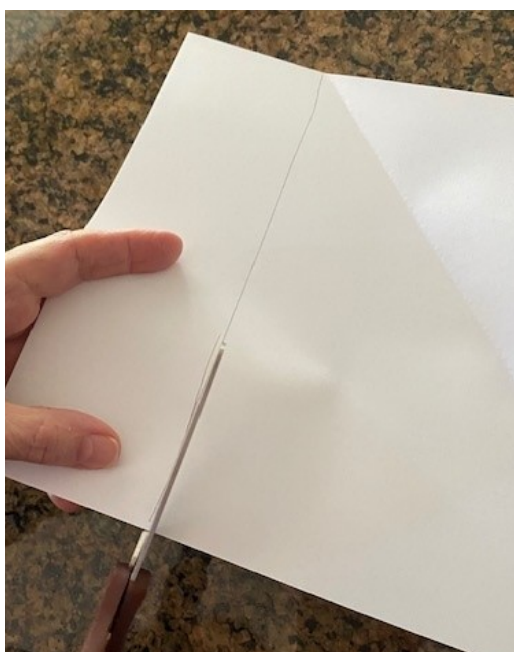

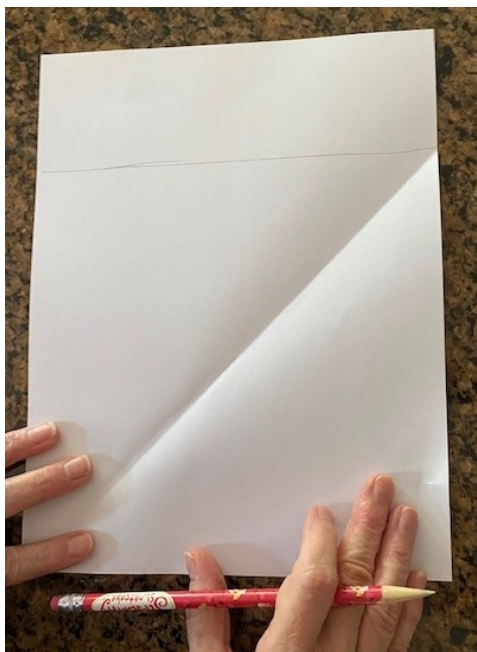

1. Lay flat 8.5x11 piece of paper

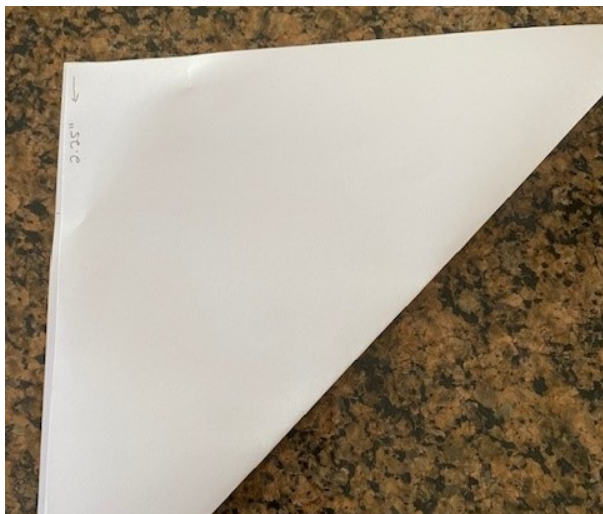

2. fold paper. Bottom left corner parallel with right edge. Mark a line top edge of foldover edge.

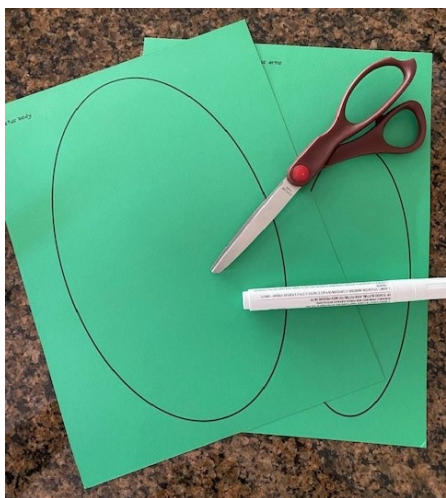

3. Cut along marked line.

4. Fold into a triangle. Measure from top left (center) corner down 2.25" and fold down forming the easel stand.

5. color or copy on green paper Cactus pattern. Cut out pieces. Using a white marker or white chalk marker draw spines of cactus.

6. Glue cactus arms to cactus body. Glue to easel narrow fold. Ready for your cactus flowers!
