### Trixie ... My Funny Little Pony!

Hi ... my name is Kati! I have my very own little pony. I named her Trixie. Trixie is a funny little pony! I sometimes wonder if she thinks she is a puppy dog! She likes to roll in the dirt and she will even dig a hole under the fence and crawl out ... that's pretty funny for a horse!

One day I was sitting on our fence watching Trixie. She was being funny again! Jumping and turning around really fast. I think she was trying to be a gymnast! One of the bigger horses came over to her and kicked her! Oh no! That wasn't nice. I yelled and waved my arms at the other horse to 'go away!' Trixie may be different

from other horses but that doesn't mean she is not special. I love Trixie just the way she is and I love to tell other people about Trixie my funny little pony!
