

## Child Safety

As a VBS volunteer, I will:

- Always provide appropriate supervision for the children at VBS.
- Have at least one other VBS volunteer to help with the supervision of children. If I find myself in a situation where I am the only VBS volunteer present, under no circumstances will I allow myself to be alone with one child (the “two-person rule”).
- Ask a child’s permission before physically touching him/her anywhere, even when responding to an injury or problem. This is especially true for any areas that would normally be covered by a t-shirt and/or shorts. If an injury is within this area, I will make sure another adult works with me as care is provided.
- Refrain from physical and verbal attacks and corporal punishment. “Time outs” or “sit-in-that-chair” may be helpful discipline methods to use with children.
- Affirm children with appropriate touching by keeping hugs brief and shoulder-to-shoulder or side-to-side. I will keep hands at (not below) the shoulder level. For small children who like to sit on laps, I will encourage them to sit next to me.
- Provide extra care when taking small children to the restroom. I will take another adult along or leave the door open.
- Be aware of conducting activities in rooms that do not have an interior viewing area, or I will leave the door open during the activity to allow easy observation by others.
- Complete and be approved by the volunteer screening process.
- Be aware of the signs and symptoms of child abuse and aware of the legal requirements for reporting suspected cases of abuse. In addition to any legally required reporting, I agree that if I become aware of any behavior by another individual which seems abusive or inappropriate toward children I am supervising, I will report that behavior to the VBS Director.
- Uphold the standards of the Seventh-day Adventist Church.

### Introduction

Jasper Canyon VBS is set deep in a canyon where the kids will learn about how valuable they are to God. Your Crew of rockhounds will dig it as they learn how they are valued, and you are here to help guide your Crew members through each activity. Remember when you went camping, swimming, or stayed overnight with friends – wasn't that fun? This is how we want kids to feel at Jasper Canyon VBS – like they are part of a big family! You have one of the most important jobs during VBS! Because of your enthusiasm, friendliness, and passion, kids will want to come back to VBS every day. And when they come back, they will get to hear stories from the Bible. You will have an opportunity to develop a relationship with each Crew member as you travel from station to station. Traveling and having fun is your job! Remember that you are not in charge of the stations. Rather, your role is to help your kids as they participate in the activities.

## Tips for Crew Leaders

- Participate! Sing the songs and do the motions. Play the games. Be enthusiastic about the crafts. Be attentive during the Bible story and encourage praying together in the prayer station. This is very important!
- Support and encourage the Station Leaders by asking them how you can help.
- Enjoy your Crew! Be enthusiastic. Give shoulder bumps or high-fives throughout the day. Show them that they are the best Crew! Watch for opportunities to encourage your Crew members. Silence your phone and give your total attention to the kids.
- Arrive early to VBS so you are there when your Crew members arrive. This also gives you the opportunity to see if your Director needs any help preparing for VBS to start. Also plan to stay 15-30 minutes after VBS for a short debrief with the other Crew Leaders and to help clean and set up for the next program. You are important to the kids and the success of the program.
- Get to know your kids' names and use their names often. Say, "Hi Austin, glad you are with us today!" and "Welcome, Elizabeth! I'm glad you're in our Crew!"

## Tips for Connecting with Your Crew

- If your Crew members arrive before the program starts play a fun little game with them such as Duck, Duck, Goose or Simon Says.
- Ask Crew members to tell you about their favorite game or food. Tell them your favorite game or food.
- When you pass another Crew on your way to the next station, give high-fives to as many of the other kids as you can. Encourage your Crew to do the same.
- Give yourself a hug and encourage all your kids to give themselves a hug too.
- Always make sure your Crew members are following you. Count, count, and count again.
- Have fun with the kids! Laugh and smile. Get eye to eye with each kid and call them by their name. "Hey (kid's name), good to see you again! High-five!"

## Crew Names

Each Crew is given the name of a rock or mineral. Remember to call your Crew by name as you move from station to station. You can also introduce your Crew to the Station Leaders using your Crew name.

1. Crystals
2. Geodes
3. Agates
4. Opals
5. Garnets

## Stations

Each station you visit has a name. When you talk to your Crew, call each station by its name. For example, say, "Let's go to the Excavation Station now" when you are traveling to the prayer station.

Below is a list of the station names:

- Gemstone Mine – Bible Story Station
- Excavation Station – Prayer Station
- Artifact Station – Craft Station
- Picnic Snacks – Snack Station
- Testing Pit—Game Station

## How to Handle Challenges

While we hope that VBS goes smoothly you may occasionally run into a challenge. Here's some advice on how to handle different challenges::

**Question:** What if my Crew won't stay together?

**Try this:** Come up with creative ways to travel, such as creating an echo cheer or chant: "I'm a rockhound! You can be a rockhound too!"

**Question:** What if I have a really active child?

**Try this:** You be this child's partner during activities and suggest that he or she sit with you during quiet times. You can also make a game of sitting still by saying, "Let's see how long you can sit still without interrupting. I'm timing you. Ready? Go!"

**Question:** What if some of my kids don't get along?

**Try this:** Quietly take the children aside. Let them know that you've noticed that they are not getting along very well. Be kind but firm. Share that it's not okay to fight and argue, and that VBS will be a lot more fun if they choose to get along and be kind to one another.

*\*Let your Director know if you have any other challenges that may require intervention.*
