

The logo is a stylized illustration of a wooden corral sign. It features a horizontal wooden plank with a light brown grain, bordered by a dark red material. The text "WILD HORSE" is on the top line and "CORRAL" is on the bottom line, both in a bold, yellow, blocky font with a thick blue outline and a thin red inner border. The sign is secured with four silver bolts, two on each side. The left edge of the sign is jagged and shows a blue and white striped pattern, suggesting a rope or fence. The entire logo has a slight 3D effect with shadows.
